Charging The Speaker

(1) Please use DC 5V charger and micro usb cable to charge the speaker.
(2) A full charge is approximately 1,5 hour and plays continuously 5 hours.

How To Use

(1) If you want to pair your mobile device with the speaker, please make sure the bluetooth mode on your device is switched on.
(2) Switch the power on/off button on to pair the device.
(3) After doing so the speaker will be visible in the Bluetooth devices overview of your device, please select "DRA-3506" to pair your mobile device with the speaker.

Cautions

• Do not drop, apply excessive force to the controls, or put heavy objects on top of the wireless speaker.
• Do not attempt to repair, disassemble or modify the product. There are no user-serviceable parts inside this unit.
• Young children under the age of 7 years should be supervised to ensure they do not play with the product. Close supervision is necessary when any appliance is used by or near children under the age of 7.
• If you do not use the speaker for long periods of time, be sure to store it in a dry place, free from extreme temperature,humidity and dust.
• Keep speaker away from any heat source.
